Calendar of Events – Winter/Spring 2026

The Wildlife Drive is open daily from ½ hour before sunrise to ½ hour after sunset.

The Visitor Center is open during the week from 8:00 am to 4:00 pm.

Programs are free and no registration is necessary unless otherwise specified.

To request a reasonable accommodation please call the Refuge office at (302) 653-9345 2 weeks before the event.

Sunday 03/15/2026 12:00pm Delaware Bat Program.

A program presented by Rachel Teseneer that will cover the bat species that occur in Bombay Hook NWR and the state of Delaware. She will update us on the status of many species and how bat data is collected at Bombay Hook NWR.

Saturday 03/21/2026 11:00am Spring Fever

Julie Memmolo will present a program about the signs of spring at Bombay Hook NWR. She will review this seasonal change across our plants and wildlife at the refuge. Come share your signs of spring.

Sunday 03/29/2026 11:00am American Kestrel/ Bald Eagle Program

DE state biologist, Jordan Brown, will review the status of these two birds of prey in Delaware. She will also discuss some of the latest research efforts to learn more about these species.

Saturday 04/25/2026 10:00am Tick Talk

DE state biologist, Ashley Kennedy, will present a discussion of ticks and tick ecology in Delaware.

Saturday 05/02/2026 11:00am Importance of Mason Bees and other Pollinators (Breast Cancer Survivors).

This is a reservation only program. Contact Lois Wilkinson at lwilkinson@debreast-cancer.org for all the reservation details.

Sunday 05/03/2026 11:00am People of the Refuge Past.

Join Master Naturalist and History Enthusiast Joseph Blake for a journey through the past to learn about the people who lived and worked on Bombay Hook before it was a wildlife refuge.

New programs are added each week so please check back for new updates.
